21.NOV 1922

Sir,

I have the honor to forward herewith a copy of letter Petn. C.No.2040/21-22 dated 13th November 1922 received from the Deputy Commissioner, Tumkur District, regarding the affairs of the Government anna-chattram at Gibi in the Tumkur Taluk, and to recommend that in the circumstances reported, the stoppage of feeding in the chattram and the disbanding of the establishment now maintained therefor may be sanctioned. The chattram may for the present be converted into a rest-house only, a care-taker on Rs.8/- a month being maintained for the present.

2. As regards the question of the repairs required to the building, I beg to state that I shall deal with it in connection with the general question of the transfer of rest-houses to the District -- Boards now under my consideration about which a separate communication will be submitted for the orders of Government.

I have the honor to be,

S i r,

Your most obedient servant,

Muzrai Commissioner.

Letter No.Pet.2040/21-22 dated 15th November 1922, from the Deputy Commissioner, Tumkur District, to the Muzrai Commissioner in Mysore.--

---

"I have the honor to state that the Anna-Chattram at Sibi in the Tumkur Taluk is in need of urgent repairs. The annual expenditure incurred therein at present is Rs.144/- towards establishment and Rs.370-6-0 for feeding travellers. It is reported by the Treasury Assistant Commissioner in charge of the Tumkur Taluk, in his No.415/21-22 dated the 10th October 1922, that travellers very rarely halt at Sibi now-a-days, as there are motor and other conveniences for them for speedy and long marches between Tumkur and Sira, and that closing the feeding in the Chattram does not inconvenience the travellers.

2. The maintenance of the chattram in good repairs is very necessary, as it will serve as a rest-house, more especially during the Jatra at Sibi, for which a large number of persons from far and near assemble -- annually and which continues for nearly a fortnight.

3. The institution has not got funds of its own to meet the repairing charges but it must first be met from advance, which may subsequently be adjusted every month from the savings effected by closing the feeding in the chattram and also disbanding the establishment. A care-taker on a suitable pay will suffice for the chattram.

4. I therefore request you to obtain Government sanction to the closing of the feeding in chattram and the disbandment of the existing -- marginally noted establishment and also to the appointment of a care-taker on a pay, which will be fixed in consultation with the Treasury Assistant Commissioner for two years or such period as it may require to adjust the amount of advance that will be required for the repairs of the chattram building. The question of closing the feeding and the establishment referred to finally may be considered -- according to circumstances, after the above period.

		Monthly pay.
Parupathegar	1	Rs. 4/-
Cook	1	6/-
Sweeper	1	2/-
Total		12/-

5. Pending approval to the above, action is being taken for the necessary estimate etc."
